## A MESSAGE FROM THE PRINCIPAL

### FAREWELL FROM MRS. KRESS

SAs I prepare to turn the page to a new chapter in my journey, I want to extend my deepest gratitude to this incredible school community.

Over the past 13 years, I've had the privilege of serving in both teaching and administrative roles, and it has truly been an honour to work alongside such dedicated staff, inspiring students, and supportive families. Together, we've celebrated milestones, faced challenges, and built a school culture grounded in care, respect, and connection.

To the students—thank you for your energy, your curiosity, and for reminding me every day why this work matters.

To the staff—your passion and commitment make this a special place to learn and grow.

To our WRPS leadership team—thank you for your guidance, trust, and encouragement throughout the years.

This community holds a special place in my heart, and while it's hard to say goodbye, I do so with immense gratitude and excitement for what lies ahead. I will carry with me countless memories and a deep appreciation for all we've shared.

Thank you all—from the bottom of my heart—for being part of this incredible chapter.

With warmest wishes,  
Mrs. Kress

# FINAL REPORT CARDS NOW AVAILABLE

2

We are pleased to share that final report cards for Semester 2 are now ready to be generated. Parents and students can access the report card—including teacher comments and an overview of academic progress—through the PowerSchool portal.

Please note that while the PowerSchool app provides access to grades, we recommend using the full online portal to generate the complete report. This ensures you see your student's performance across all Semester 2 and Quarter 4 courses, including any full-year classes.

Important Reminder: After reviewing Semester 2 grades and comments, be sure to reset your date filter in the app to "Y1" or "S2" to view cumulative grades for yearlong, semester, or quarter-based courses.

To explore how individual assignments contribute to the final grade, simply click on the grade shown in the "Grades" section for a detailed breakdown.

If you need help accessing the report card or have any questions, please don't hesitate to contact us by phone or email. We're happy to assist!

# STAFFING UPDATE

## FAREWELL AND BEST WISHES

As we close out the school year, we'd like to take a moment to extend our heartfelt thanks and best wishes to several members of our school community who are moving on to new adventures.

We say farewell to Ms. DeBruin, a dedicated teacher whose care and commitment have left a lasting impact on our students.

We also wish all the best to our incredible Educational Assistants: Mrs. Moisan, Mrs. Olsvik, Ms. Thompson, and Mrs. Hilstad. Their support, encouragement, and care have made a difference in so many young lives.

Finally, we offer our deep appreciation and warmest farewell to Mrs. Kress, our Principal, whose leadership and vision have guided our school community with strength and compassion.

Each of these individuals has contributed so much to our school, and they will be greatly missed. We thank them for everything and wish them continued success in all that lies ahead!

## WELCOMING NEW FACES AND CELEBRATING NEW ROLES

As we look ahead to the 2025–2026 school year, we're excited to welcome some new members—and celebrate some familiar ones in new roles—within our school community.

Please join us in warmly welcoming Mr. Gardner as our new Principal. We're also excited to welcome Mr. Granger, who will be joining us as Vice Principal. Both bring a wealth of experience and a strong commitment to supporting students, staff, and families. Mr. Schenk will be transitioning from administration back into the classroom this year. We know his passion for teaching and connecting with students will continue to shine in this new role.

Here's to a year of new beginnings and continued growth—we can't wait to get started!
